NISSAN INTELLIGENT MOBILITY™

Nissan Intelligent Mobility moves you one step ahead. In cars that feel like an extension of you, helping you see more and sense more, reacting with you, and sometimes even for you. Nissan Intelligent Mobility is about a better future – moving through life with greater confidence, excitement and connection to the world around you.

[1]Vehicle shown with third-party accessories. [2]Available feature. [3]Remote Engine Start System to be used only in accordance with any laws or rules in effect in your vehicle's location. [4]Intelligent Around View® Monitor cannot eliminate blind spots and may not detect every object. Driver should always turn and check surroundings before driving. See Owner's Manual for safety information. [5]Maximum towing capacity when properly equipped. Maximum towing of up to: 6,720 lbs. for Frontier King Cab® 4x2; 6,510 lbs. for Frontier King Cab® 4x4; 6,570 for Frontier Crew Cab 4x2; 6,370 for Frontier Crew Cab 4x4; 6,460 for Frontier Crew Cab Long Bed 4x2; 6,260 for Frontier Crew Cab Long Bed 4x4. Towing capacity varies by configuration. See Nissan Towing Guide and Owner's Manual for additional information. [6]Maximum payload capacity when properly equipped. Maximum payload of up to: 1,610 lbs. for Frontier King Cab® 4x2; 1,440 lbs. for Frontier King Cab® 4x4; 1,480 lbs. for Frontier Crew Cab 4x2; 1,290 lbs. for Crew Cab 4x4; 1,360 lbs. for Frontier Crew Cab Long Bed 4x2; 1,160 for Frontier Crew Cab Long Bed 4x4. Payload capacity varies by configuration. See Nissan Towing Guide and Owner's Manual for additional information. [7]Availability of features vary by vehicle model year, model, trim level, packaging, and options. Please see Owner's Manual for important feature information. [8]Nissan Safety Shield technologies can't prevent all collisions or warn in all situations. See Owner's Manual for important safety information. [9]Automatic Emergency Braking with Pedestrian Detection cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. [10]Rear Automatic Braking cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. [11]Rear Cross Traffic Alert may not detect all vehicles. See Owner's Manual for safety information. [12]Blind Spot Warning cannot prevent collisions and may not detect every object or warn in all situations. Driver should always turn and look before changing lanes. See Owner's Manual for safety information. [13]Lane Departure Warning only operates when lane markings are able to be detected. See Owner's Manual for safety information. [14]Intelligent Cruise Control uses limited braking and is not a collision avoidance or warning system. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. [15]120-volt power outlet is intended only for use with compatible items. Please check specifications of wattage and amperage of items to be plugged in to determine compatibility. [16]Use feature only when safe and legal. Compatible device and service required. Subject to third party service availability. For more information see **NissanUSA.com/connect/legal.** [17]Comparison based on 2022 Frontier PRO-4X vs. latest in-market *Ward's* Small Truck segment. Based on manufacturer's website. Claim current at time of publication. [18]Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. [19]Cargo shown for display purposes only. Cargo and load capacity limited by weight and distribution. Always secure cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle. [20]Extra cost option. [21]Leather appointments. [22]Intelligent Forward Collision Warning cannot prevent collisions. See Owner's Manual for safety information. [23]RearView Monitor may not detect every object and does not eliminate blind spots or warn of moving objects. See Owner's Manual for safety information. [24]Intelligent Driver Alertness cannot provide a warning in every situation. See Owner's Manual for safety information. [25]Vehicle Dynamic Control cannot prevent collisions due to abrupt steering, carelessness, or dangerous driving techniques. It should remain on when driving, except when freeing the vehicle from mud or snow. See Owner's Manual for safety information. [26]Information displayed is dependent on how vehicle is equipped. Driving is serious business and requires your full attention. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. [27]Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. [28]Use Hands Free Text Messaging when parked in a safe location. If you must use while driving, monitor traffic conditions and keep both hands on the steering wheel to prevent collisions. Compatible device required. Message and data rates may apply. [29]Tire Pressure Monitoring System is not a substitute for regular tire pressure checks. See Owner's Manual for safety information. [30]Traffic Sign Recognition may not detect and read all traffic signs in all conditions. Driver should monitor all traffic signs and obey all traffic laws. See Owner's Manual for details. [31]Towing capability varies by configuration. See Nissan Towing Guide and Owner's Manual for additional information. Always secure cargo. [32]Genuine Nissan Accessories are covered by Nissan's Limited Warranty on Genuine Nissan Replacement Parts, Genuine NISMO® S-Tune Parts, and Genuine Nissan Accessories for the longer of 12 months/12,000 miles (whichever occurs first) or the remaining period under the 3-year/36,000-mile (whichever occurs first) Nissan New Vehicle Limited Warranty. Terms and conditions apply. See dealer, Warranty Information Booklet, or **parts.NissanUSA.com** for details. [33]Affiliated Yakima® accessories are not warranted by Nissan. Refer to product manufacturer for warranty details. Nissan Limited Warranty does not cover damages or failures to the vehicle caused by improper installation or alterations of any Nissan-approved accessory or component. Contact your dealer/retailer for details. [34]King Cab, Crew Cab Long Bed, and Crew Cab 4x2 models only. [35]Brake Assist cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. [36]Sonar System may not detect every object. Driver should always check surroundings before driving. See Owner's Manual for safety information. [37]4x4 only. [38]Rear Door Alert System does not detect people or cargo. Always check rear seat before exiting. See Owner's Manual for safety information. [39]Air bags are only a supplemental restraint system. Always wear your seat belt. Rear-facing child restraints should not be placed in the front-passenger's seat. All children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Air bags will only inflate in certain accidents. See Owner's Manual for safety information. [40]Interior passenger volume with moonroof is 98.9 cu. ft. [41]2022 EPA Fuel Economy Estimates. 18 City MPG / 24 Highway MPG / 20 Combined MPG for Frontier® 4x2; 17 City MPG / 22 Highway MPG / 19 Combined MPG for Frontier 4x4. Actual mileage may vary with driving conditions. Use for comparison only. [42]Roadside Assistance available for a period of 36 months/36,000 miles from the date the vehicle is delivered to the first retail buyer or otherwise put into use, whichever is earlier. 2022

NISSAN INTELLIGENT MOBILITY™

Find your frontier

Your Frontier® is calling. It's time to go out and find it. Redefine your idea of freedom with capability that expands your realm and inspires new adventures. Pack your duffel bags, prep your gear. This is the all-new Nissan Frontier.

Nissan Frontier® Crew Cab PRO-4X® shown in Boulder Gray Pearl with Genuine Nissan Accessories and third-party accessories.[1]

Nissan Frontier® Crew Cab PRO-4X® shown in Charcoal Cloth with Lava Red Stitching.

Welcome to the great indoors

The destination is rocky, dusty, and sometimes rough. Getting there doesn't have to be. Start your Frontier® remotely,[2,3] hop in, and you'll be cradled in a prewarmed or precooled interior that's thoughtfully designed and thoroughly equipped. Defy discomfort with standard Zero Gravity front seats, and conquer the cold with available Dual Zone Automatic Temperature Control and available heated front seats.

Remote Engine Start System[2,3] | Heated Front Seats[2] | Heated Steering Wheel[2] | Dual Zone Automatic Temperature Control[2] | Zero Gravity Front Seats

NISSAN INTELLIGENT MOBILITY™

PRO-4X

Nissan Frontier® Crew Cab PRO-4X® shown in Tactical Green Metallic.

Feed your craving for dirt

Between the straight lines and smooth surfaces of society lies all things jagged, dusty, rutted, sandy, muddy, and rocky. Excel in this environment with Frontier® PRO-4X.® It's a Frontier optimized for off-road abuse, so you can go farther into the backcountry with more confidence, and more grins mile after mile.

4WD LO The Frontier PRO-4X is a true 4x4, with three driver selectable modes — 2WD, 4H, and 4LO, so you can thrive in just about any environment you encounter.

Dedicated Off-Road Display Keep track of pitch, roll, and also key off-road functions like 4x4 engagement, and differential lock status for a more confident day on the trail with the PRO-4X.

Off-Road Upgrades With its all-terrain tires, Bilstein® off-road performance shocks, electronic locking rear differential and skid plates, the PRO-4X checks all the boxes of a legit off-road performer.

Intelligent Around View® Monitor Like a virtual spotter, available Intelligent Around View® Monitor[4] with Off-Road Mode can show more of the trail around you to help you navigate tougher obstacles.

Nissan Frontier® Crew Cab PRO-4X® shown with max towing capacity of up to 6,270 lbs.[5]

NISSAN INTELLIGENT MOBILITY™

Nissan Frontier® Crew Cab PRO-4X® shown in Deep Blue Pearl with a max payload capacity of up to 1,230 lbs.[6]

Nissan Safety Shield® 360 and Driver Assist Technologies

Frontier® backs you up with some of the most advanced standard and available safety and driver assist features you'll find in a midsize truck, with safety technologies that can help you avoid accidents and give you more peace of mind when you're towing, hauling, and doing truck things.[7, 8]

Standard Automatic Emergency Braking with Pedestrian Detection[9]

Available Rear Automatic Braking[10]

Available Rear Cross Traffic Alert[11]

Available Blind Spot Warning[12]

Available Lane Departure Warning[13]

Available High Beam Assist

Available Intelligent Cruise Control[14]

Horsepower

281
lb-ft of Torque

1,610
lbs. max Payload[6]

6,720
lbs. max Towing[5]

Dream it. Hitch it. Tow it. Send it.

Frontier® does more than tow — it's a truck built to pull your dreams farther off the beaten path. Starting with Tow-Haul mode, which optimizes your drive on the highway for heavier loads.[2] Turn off the highway and Frontier attacks uneven, hilly terrain with features like hill start assist and hill descent control.[2] And confidence-inspiring approach, breakover, and departure angles. When it's time to get your trailer of choice up that last sketchy hill, engage 4LO and the electronic locking rear differential for maximum traction.[2]

Tow-Haul Mode[2] | Hill Start Assist | Hill Descent Control[2] | Electronic Locking Rear Differential[2]

Nissan Frontier® Crew Cab PRO-4X® shown in Boulder Gray Pearl with a max payload capacity of up to 1,230 lbs, and max towing capacity of up to 6,270 lbs.[5, 6]

Truck bed 2.0

LED Bed Lighting Load up after dark with plenty of lighting to see what you're doing, thanks to Frontier's available LED under-rail bed lighting.

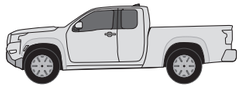
120-V Outlet Frontier's available bed-mounted 120-volt AC power outlet gives you the flexibility of a household power plug for electricity on the go.[15]

Dampened Tailgate | Spray-on Bedliner[2] | 3 Utili-track® Channels[2]

Under-Seat Storage Removable under-seat storage trays stash beneath the rear seats, so there's a space for everything. Plus you can flip up the rear seat cushions for even more storage room.[19]

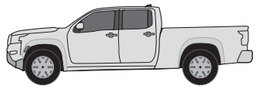
Two Cabs & Two Bed Lengths Configurations, galore. Choose from either the workhorse King Cab® that seats four with a 6-foot bed, or the versatile five-seater Crew Cab with either a 5-foot or 6-foot bed.

King Cab®
Bed – 6.0'
Available on S and SV



Crew Cab
Short Bed – 5.0'
Available on S, SV, PRO-X™ and PRO-4X®

Crew Cab
Long Bed – 6.0'
Available on SV



Roughing it just got a lot less rough

Moonroof Let in more of the outdoors at the push of a button with the available Power Sliding Glass Moonroof, which also includes a tilt feature.

NissanConnect® Services powered by SiriusXM® Maintain a closer relationship with your all-new Frontier using NissanConnect® Services. You can access a variety of features through your vehicle and compatible smartphone, and even use your voice to communicate with your vehicle through Amazon Alexa or Google Assistant.[16]

9-inch display The available NissanConnect® 9" color touch-screen display leads its class in size,[17] and invites you to tap, swipe, pinch, and zoom to your heart's content with a visual clarity and responsiveness you've never seen before in a Frontier.[16]

Wireless charging Ditch the cord and place your Qi®-enabled smartphone on the available wireless charging pad located behind the shifter while the all-new Frontier does the rest.[18]

Front and Rear USB[2, 18] | NissanConnect® with Wi-Fi Hotspot[2, 16] | Fender® Premium Audio System[2]

NISSAN FRONTIER® ACCESSORIES

Ramp it up

Every Genuine Nissan Accessory is custom-fit, custom-designed, and durability-tested. Each one is backed by Nissan's 3-year/36,000-mile (whichever occurs first) limited warranty (if installed by dealer at the time of purchase), and can be financed when installed by dealer at time of purchase.[32] Affiliated Yakima® accessories are not warranted by Nissan. Refer to product manufacturer for warranty details. Nissan Limited Warranty does not cover damages or failures to the vehicle caused by improper installation or alterations of any Nissan approved accessory or component. Contact your dealer/retailer for details.
