

RD-X

ACURA
PRECISION CRAFTED PERFORMANCE

WHEN YOU PUT THE DRIVER FIRST,
WHEN YOU BUILD AROUND THEIR DESIRES,
WHEN YOU MAKE SURE EVERY INNOVATION
IS AN IMPROVEMENT IN PERFORMANCE,
THAT IS THE SPIRIT OF PRECISION CRAFTED
PERFORMANCE, AND THAT IS HOW
WE CREATE THE ACURA RDX.

THE NEXT GENERATION OF PRECISION CRAFTED PERFORMANCE

272-HP¹ DIRECT INJECTION TURBOCHARGED VTEC[®] ENGINE

There's more to the direct-injection, VTEC[®], all-aluminum, turbocharged engine than an awe-inspiring two hundred seventy-two horsepower. There's also the fact it's been tuned for power and acceleration with peak torque arriving at only 1600 rpm. Red-light-to-green-light "go" power is perfectly mated to a 10-speed automatic transmission and is instinctively connected to your desires through performance-engineered Sequential SportShift[®] paddle shifters.

SUPER HANDLING ALL-WHEEL DRIVE[™]

Developed on the most demanding tracks and roads around the world, Super Handling All-Wheel Drive^{™2} (SH-AWD[®]) delivers superior performance and control in high-performance driving conditions, even when the weather and road conditions are far from high-performance. SH-AWD[®], renowned for its ability to create a more stable driving platform by instantly distributing power to each wheel based on wheel speed, steering angle, lateral G-forces and yaw rates, is put to the test in virtually all conditions—rain and sun, snow and sleet, track-perfect corners,

snow-covered corners and gravel-filled corners. These tests inspire chalkboard-filling equations that have resulted in improved torque capacity and torque vectoring, turning the RDX into a finely tuned performance machine, regardless of the road.

INTEGRATED DYNAMICS SYSTEM (IDS)

Go from the everyday cruise to the full sport driving experience – all at the turn of a dial. The Integrated Dynamics System (IDS) offers four unique drive modes that match the dynamic response of the SUV to both your mood and your driving environment – Comfort, Snow, Sport and Sport+.

ADAPTIVE DAMPER SYSTEM

Go further with the available Adaptive Damper System, which is designed to allow the RDX to remain soft and comfortable during highway cruising, yet firm when the road requires high-performance handling, by adjusting responsiveness based on driving conditions for true driving comfort.

DRIVEN BY TECHNOLOGY

EFFORTLESSLY NAVIGATE

We're constantly looking for ways to enhance your driving experience with the latest tech innovations. The RDX embraces this driver-centric command-centre approach with its revolutionary True Touchpad Interface. Wherever you touch, it responds by using the world's first application of absolute positioning. When you tap on the upper left corner of the touchpad, the touchpad corresponds with the action precisely on the top left of the centre display. A natural, intuitive and nearly effortless command of navigation.

Meanwhile, the 10.2" HD display delivers navigation and audio with standard Apple CarPlay™^{2,4} compatibility, to keep you connected on the road.

ACURALINK™^{2,4,7}

In addition to AcuraLink™ features such as remote door lock/unlock, automatic collision notification, and AcuraLink Assist services, the RDX enhances your AcuraLink™ experience with a host of key features, including remote engine start, speed alert, geo fencing, and Last Mile—which provides walking directions from your parking location to your final destination. And with the built-in Wi-Fi hotspot,^{4,6} you'll stay connected wherever the road takes you.

CARGO SPACE

The RDX also offers an incredible 881 litres of cargo capacity, including smart underfloor storage, all of which is easily accessible through the power tailgate with available hands-free access.

HERE COMES THE SUN

The RDX is equipped with an ultra-wide panoramic moonroof to dramatically fill the cabin with comforting light and increase the sense of space, while the acoustically designed glass, triple-sealed doors and Active Noise Control helps to cancel out exterior noise.

IMMERSE YOURSELF IN MUSIC

The available ELS Studio® 3D Premium Audio System was engineered by Grammy® award-winning producer and engineer Elliot Scheiner and features 16 speakers, including four in the ceiling, and 710 watts of power to deliver a whole new listening experience.

SAFETY

ACURAWATCH™

Standard on the RDX, our AcuraWatch™ suite of advanced safety and driver-assist technologies is a network of systems designed to increase awareness and support the driver, working to help prevent, mitigate and in some cases even avoid impacts.

FEATURES

- Forward Collision Warning (FCW) system²
Collision Mitigation Braking System™² (CMBS®)
- Lane Departure Warning (LDW) system²
Lane Keeping Assist System² (LKAS)
Road Departure Mitigation (RDM) system²
- Adaptive Cruise Control (ACC)
with Low-Speed Follow (LSF)²
- Available Blind Spot Information (BSI) system²
- Available Cross Traffic Monitor system²
- Multi-angle rearview camera with dynamic guidelines²
Available surround view camera system²

DESIGN

TURBOCHARGED STYLE

When equipped with the available A-SPEC package, the RDX injects the Sport Utility Vehicle concept with even more sport. Every detail is designed with performance and style in mind, like the bold 20-inch five-spoke Shark Gray alloy wheels, aggressive front bumper complete with LED fog lights and piano-black window trims around the side. To give the competition something to stare at, the rear is equipped with a piano-black diffuser, bold dual oval exhaust outlets and dark exterior trim accents. The A-SPEC package is available in a variety of sporty colours, including an A-SPEC-exclusive Apex Blue Pearl or a Performance Red Pearl finished with distinct A-SPEC badging.

INTERIOR

A-SPEC INTERIOR COMFORT

Inside the RDX A-SPEC, comfort is found immediately in either the exclusive red leather or the sleek black leather interior. Both options feature Alcantara inserts and sports-oriented stitching, as well as bold seat bolsters for when your performance side takes over.

A-SPEC INTERIOR STYLE

A-SPEC styling begins with the A-SPEC sports steering wheel, with a thicker grip for more confident handling; paddle shifters inspired by the NSX supercar; glistening metal sports pedals; and a satin silver-faced instrument panel, glowing red to complement your pumping adrenaline.

SPECIFICATIONS

ENGINE

Engine	2.0-litre, 16-valve, Direct Injection, DOHC, VTEC® turbocharged 4-cylinder
Engine horsepower ¹	272 hp @ 6500 rpm
Engine torque ¹	280 lb.-ft. @ 1600–4500 rpm
Displacement	1996 cc
Emissions rating	Tier 3 Bin 50
Bore and stroke	86 x 85.9 mm
Compression ratio	9.8:1
Drive-by-Wire Throttle System™	
Idle stop	
Recommended fuel	Premium unleaded

DRIVETRAIN

10-speed automatic transmission (AT) with Grade Logic Control
 Integrated Dynamics System (IDS)
 Super Handling All-Wheel Drive™² (SH-AWD®)
 Steering wheel-mounted paddle shifters

CHASSIS

19" aluminum-alloy wheels
 All-season tires: P235/55 R19 101H
 Capless fueling system
 Electronic Parking Brake (EPB) with automatic brake hold
 Electric power-assisted rack-and-pinion steering (EPS)
 MacPherson strut front suspension
 Multi-link independent rear suspension
 Power-assisted, ventilated front/solid rear disc brakes
 Steering wheel turns, lock-to-lock: 2.23
 Stabilizer bars – front and rear: 30.0/23.0 mm
 Temporary spare tire: T155/90D17 101M

ACTIVE SAFETY

4-wheel Anti-lock Braking System (ABS)²
 Auto high beam
 Collision Mitigation Braking System™ (CMBS®)²
 Electronic Brake-force Distribution (EBD)
 Forward Collision Warning (FCW) system²
 Hill Start Assist²
 Lane Departure Warning (LDW) system²
 LED daytime running lights
 Road Departure Mitigation (RDM) system²
 Tire Pressure Monitoring System³ (TPMS) with location and pressure indicators
 Vehicle Stability Assist² (VSA®) with Traction Control

PASSIVE SAFETY

Advanced Compatibility Engineering™ (ACE™) body structure
 Childproof rear door locks
 Dual-stage, multiple-threshold front airbags (SRS)
 Front knee airbags
 Lower Anchors and Tethers for Children (LATCH)
 Side curtain airbags with rollover sensor system
 SmartVent™ front side airbags

DRIVER ASSIST TECHNOLOGY

Adaptive Cruise Control (ACC)² with Low-Speed Follow
 Lane Keeping Assist System (LKAS)²

EXTERIOR

Dual exhaust with chrome finishers
 Front and rear splash guards
 Front wiper de-icer
 Heated power-adjusting side mirrors with driver recognition, reverse gear tilt-down and integrated LED turn indicators

Jewel Eye™ LED headlights with auto-on/off (low and high beam)
 LED brake lights
 LED daytime running lights (DRL)
 LED taillights
 Panoramic moonroof
 Power tailgate with programmable height
 Rear window defroster
 Speed-sensing, variable intermittent windshield wipers

COMFORT & CONVENIENCE

7" colour TFT meter Multi-Information Display (MID)
 10.2" HD colour centre display with True Touchpad Interface
 Acoustic windshield
 Active Noise Control (ANC)
 Ambient lighting (door handles, footwell)
 Auto-dimming rearview mirror
 Dual-zone automatic climate control with air-filtration system
 Driver's and front passenger's illuminated vanity mirrors
 Driver's and front passenger's seatback pockets
 HandsFreeLink™-bilingual Bluetooth® wireless mobile phone interface^{2,4}
 with steering wheel-mounted controls
 HomeLink® remote system⁵
 Immobilizer theft-deterrent system
 Keyless access system (front doors and trunk) with Acura Personalized Settings
 Maintenance Minder™ system
 Multi-angle rearview camera² with dynamic guidelines
 One-touch turn signals
 Power windows with auto-up/down, auto-reverse and key-off operation
 Pushbutton start
 Rear-seat centre armrest with cupholder
 Remote engine starter with vehicle feedback
 Security system
 Steering wheel-mounted controls (cruise control, audio, telephone)
 Tilt and telescopic steering column
 Walk-away door lock

SEATING & TRIM

4-way adjustable headrest
 12-way power adjustable driver's and front passenger's seat including lumbar support
 60/40 split fold-down rear seatback
 Carpeted floor mats
 Remote-linked 2-position memory system for driver's seat and side mirrors
 Heated front seats
 Leatherette-trimmed seating surfaces

ENTERTAINMENT

Premium Audio System with AM/FM/MP3/Windows Media® audio playback capability and 9 speakers including subwoofer
 Apple CarPlay™^{2,4}
 4G LTE Wi-Fi hotspot^{4,6}
 Bluetooth® Streaming Audio^{2,4}
 AcuraLink™^{2,4,7} Subscription Services
 HD Radio™⁸ ready
 Siri Eyes Free compatibility^{2,4}
 USB audio interface⁴; Two 2.5-Amp charging ports
 SMS text message^{2,4}/E-mail function^{2,4}
 SiriusXM™⁹
 Wi-Fi tethering⁴

PACKAGES

TECHNOLOGY PACKAGE

(Adds to or replaces standard RDX features)

Acura Navigation System with Voice Recognition™¹³
Blind Spot Information (BSI) system² with
Rear Cross Traffic Monitor² system
Body-coloured front and rear parking sensors
ELS Studio® Premium Audio System with AM/FM/MP3/
Windows Media® audio playback capability and 12 speakers
Keyless access system (front/rear doors and trunk)
with Acura Personalized Settings
Rear USB ports⁴: Two 2.5-Amp charging ports
Rain-sensing, speed-sensing, variable intermittent
windshield wipers
Speed Limit Information

A-SPEC PACKAGE

(Adds to or replaces Technology Package features)

20" aluminum-alloy wheels, A-SPEC design
Alcantara/leather-trimmed seating surfaces with
contrast stitching and seat piping
All-season tires: P255/45 R20 101V
ELS Studio® 3D Premium Audio System with AM/FM/
MP3/Windows Media® audio playback capability
and 16 speakers
Heated steering wheel
LED fog lights
Metal sport pedals
Power-folding side mirrors
Unique A-SPEC exterior and interior styling
Ventilated front seats

ELITE PACKAGE

(Adds to or replaces Technology Package features)

19" aluminum-alloy wheels, Elite design
Auto-dimming side mirrors
Headlamp washers
Heated rear seats (outboard positions only)
Heated steering wheel
Perforated leather-trimmed seating surfaces
Perimeter/approach puddle lights
Power tailgate with programmable height and hands-free access
Power-folding side mirrors

PLATINUM ELITE PACKAGE

(Adds to or replaces Elite Package features)

19" aluminum-alloy wheels, Platinum Elite design
16-way power adjustable driver's and front passenger's seat,
including lumbar support, thigh extension, and side bolster
Adaptive Damper System
Adaptive front headlighting system
Colour head-up display (HUD)
ELS Studio® 3D Premium Audio System with AM/FM/MP3/
Windows Media® audio playback capability and 16 speakers
LED fog lights
Metallic cargo area garnishes
Olive Ash genuine wood trim
Perforated leather-trimmed seating surfaces with contrast
stitching and seat piping
Rear camera washer
Second-row temperature control
Surround view camera system²
Ventilated front seats

1. Horsepower and torque calculations reflect SAE net, Rev. 08/04, SAE J1349 procedures.

2. None of the features we describe are intended to replace the driver's responsibility to exercise due care while driving. Drivers should not use handheld devices or operate certain vehicle features unless it is safe and legal to do so. Some features have technological limitations. For more comprehensive product and feature information, limitations and restrictions, please visit www.acura.ca/disclaimers and refer to your vehicle's Owner's Manual.

3. For optimal tire wear and performance, the pressure should be checked regularly with a tire gauge. Do not rely solely on the monitor system.

4. Only compatible with certain devices and operating systems. Operation may be dependent upon: 1. GPS satellite signal reception and available cellular data and/or voice connection; or 2. connection to vehicle's built-in Wi-Fi hotspot, if applicable. Associated charges (incl. data plans, roaming charges or other amounts charged by your wireless carrier) may apply.

5. HomeLink® can be programmed with codes of up to three remote-control devices (e.g., garage-door opener, home security system, etc.). Additional control devices not provided by Acura may be required.

6. New vehicles are equipped with a complimentary time or data trial period, whichever comes first. After the trial period, contact AT&T to purchase available data plans. 4G LTE connection speeds may vary by region.

7. Subscription required. Complimentary trial – 4 years for Security, 90 days for Remote, 90 days for Concierge – included, after which fees, taxes and other charges will apply in order to continue subscription. The availability of certain cellular networks is required for AcuraLink to operate properly. Service interruptions may occur and/or vehicle system upgrades may be required if cellular network availability is compromised. Ask your dealer for full terms and conditions.

8. Coverage varies by market.

9. Only available in certain areas. Includes a no-charge trial of three months, beyond which service fees apply.

10. Estimated fuel consumption based on Government of Canada's 5-cycle testing method. Your actual fuel consumption will vary based on driving habits and other factors – use for comparison only.

For more information on 5-cycle testing, visit <http://vehicles.nrcan.gc.ca>.

11. Based on SAE J1100 cargo volume measurement standard.

12. Based on SAE J1100 cargo volume measurement standard, plus rear footwell space and front seats moved forward.

13. Map Database of the Acura Navigation System covers major metropolitan areas in Canada and the 48 contiguous U.S. states. For a list of current, detailed coverage areas, refer to the Acura website, www.acura.ca.
