1. Horsepower and torque calculations reflect SAE net, Rev. 08/04, SAE J1349 procedures.
 2. None of the features we describe are intended to replace the driver's responsibility to exercise due care while driving. Drivers should not use handheld devices or operate certain vehicle features unless it is safe and legal to do so. Some features have technological limitations. For additional feature information, limitations and restrictions, please visit www.honda.ca/disclaimers and refer to the vehicle's owner's manual.
 3. Only compatible with certain devices and operating systems. Cellular data and/or voice charges may apply, including roaming charges and/or other amounts charged by your wireless carrier.
 4. HomeLink® can be programmed with codes of up to three remote-control devices (e.g., garage-door opener, home security system, etc.). Additional control devices not provided by Honda may be required.
 5. Only available in certain areas. Includes a no-charge trial of three months.
 6. Map database covers major metropolitan areas in Canada and the 48 contiguous U.S. states.
 7. Coverage varies by market.
